May 21-22, 2026

Event Guide

BIG SEE Festival

The Most Influential Architecture Event in South-East Europe

Coming Up:
May 21 & 22, 2026, Portorož, Slovenia

Beyond a Trade Fair.
Beyond a Conference.

**Trade Show · Conference · Awards ·
Debates · Exhibitions · Celebration**

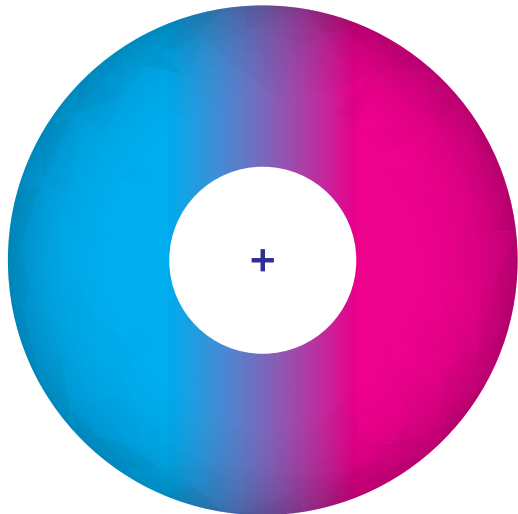

BIG SEE Festival (formerly BIG Architecture), offers a curated experience where your brand becomes part of a broader architectural dialogue — shaped by the trade show, conference, award-winning insights, emerging talents, panel debates, and moments of exchange.

More Than Visibility. More Than Presence.

**Generating Qualified Leads · Architectural
Credibility · Networking Among
Professionals · Showcasing Innovation ·
Knowledge Exchange**

At BIG SEE Festival, architects don't just pass by. They engage, connect, decide — and shape the projects of tomorrow.

As an exhibitor or sponsor, you're not just seen. You're involved in shaping what gets built.

Not Just Scale. But Substance.

3,000+ visitors

From 21 countries and beyond — including top architects, interior designers, designers, and key decision-makers.

100+ exhibitors

Innovative brands in architectural materials, systems, and interior design, including select product design brands.

800+ live moments

Conference, expert debates, award sessions, perspective talks — and real-time encounters at the trade show.

Who Will Be There?

49% Architects

38% Interior Designers

5% Urban Planners

8% Other: Engineers, Project Managers, Urban Planners, Investment Advisors, Designers, Government & Municipal Decision Makers, Real Estate Developers, Investors, Architecture Students, Emerging Professionals

Services & ICT

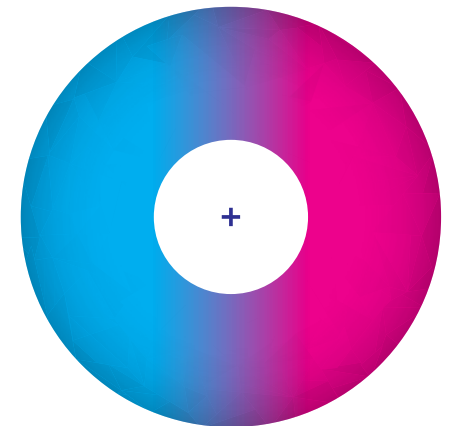

Digital solutions, BIM tools, project services, consulting, communication platforms

Organizations & Media

Industry associations, professional publications, architectural institutions

Limited to 100 curated exhibitors.

Participation is subject to approval based on innovation and relevance.

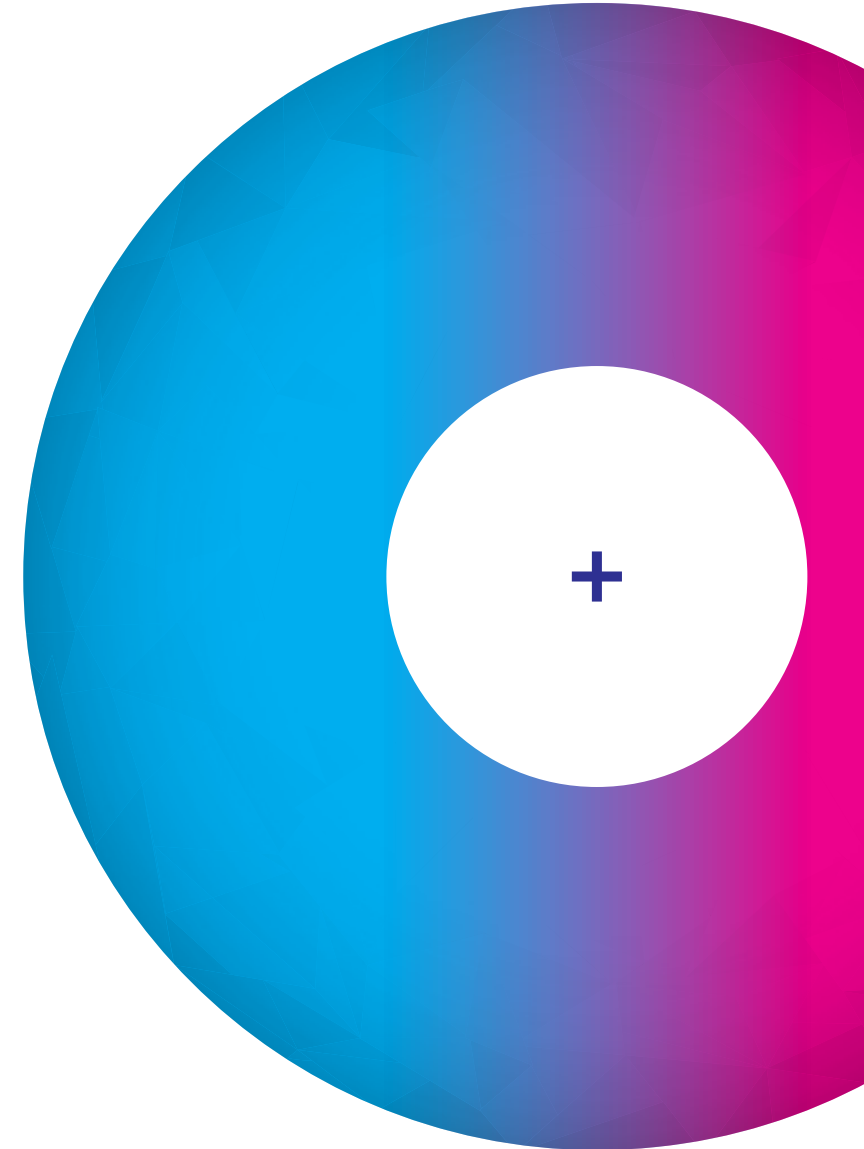

Strategic Visibility. Lasting Impact.

It's not marketing. It's movement-building.

Our outreach is targeted, strategic, and designed to engage those who truly shape the built environment:

- **In collaboration with architectural & design associations and professional networks**
- **Through trusted media partners** across the architecture and design landscape
- **Via direct invitations and tailor-made campaigns** that reach decision-makers
- **Through dynamic social media engagement** — both organic and paid
- **Empowered by exhibitors, sponsors, and partners,** who activate their own networks with exclusive passes
